CAPSTONE

QUICK GUIDELINES

Assessment for New and Returning Students:

Limited time offer: From Nov to Dec 2023, students who complete assessment and enrolls in the Christmas Intensive Program will receive the paid assessment fee as credit for tuition deduction upon enrollment.

New or returning* students need to be assessed before any enrollment. The purpose of the assessment is to allow our teachers to assess a student's current academic abilities and give their professional recommendations on which programs will be best suited for their needs. *Returning Capstone students are students who have not attended any course for the past six months.

For assessment booking, you may call us at 2893 6060 to schedule the assessment and/or the 15-min interview for G7-12 Christmas Debate Program.

(Option 1) To facilitate the assessment process for your child, the comprehensive written assessment will be done in our center and it will take around 1 hour for G1-6 and 2 hours for G7-12. Please also note that there will be a **\$300 assessment fee** for each student and an assessment report will be provided along with the course recommendations.

Assessment Fee for comprehensive written assessment with report:

1. **An assessment fee of \$300** must be collected at the time of the assessment placement test; otherwise, assessment will not be arranged and processed.
2. The fee paid for the assessment is **NOT refundable or transferable**.
3. Capstone will provide an assessment report of each student by email within 10 days. A hard copy will be available upon request and to be collected at our center.
4. The assessment fee paid can be used in settling part of the registration fee (see attached Terms and Conditions) so long as the student enrolls in a course within 14 days of receiving the assessment's results.

(Option 2) While we understand if your child is not available to come in to our center to take the comprehensive written assessment, you may opt to do the online submission and submit two writing sample requirements to receive course recommendations for the program placement.

Primary G1 to G6 Students

- Two recent writing samples (one fiction and one non-fiction) that are no older than two months
- Writing samples should be compositions and not "question and answer" type exercises.

Secondary G7 to G12 Students

- Two recent writing samples from different genres (e.g. Persuasive and Descriptive) that are no older than two months
- Writing samples should be at least 200 words in length.

Enrollment Terms and Conditions for 2023 Christmas Intensive Courses

1. Registration must be made on the Registration Form provided and returned to us no less than 7 days before the course commencement date with full fee. Payment can be made by cash, EPS, or crossed cheque payable to CAPSTONE PREP EDUCATION CENTER. Cheque payment is accepted subject to clearance. Post-dated cheques will not be accepted.
2. Upon full payment, applications are processed on a first-come-first-served basis. Acceptance is subject to the discretion of Capstone.
3. Please confirm your schedules before enrolling as fees, once paid, are non-refundable and non-transferable. For all classes, if student is absent for a class due to sickness or other personal reasons, no refunds and no make up class will be provided.
4. For in-person courses: because of the COVID-19 situation and Hong Kong unrest, sessions may sometimes be switched from in-person to online learning due to safety concerns. In such circumstances: (1) the student is expected to attend at the same session but through online means, (2) tuition will not be adjusted or otherwise compensated for any sessions that were converted from in-person to online due to the above circumstances.
5. A formal assessment is conducted for all new students and former Capstone students (who have not attended any course for the past six months) to ensure he/she will be placed in the class best suited to their learning style and maturity level. (Please refer to page 2 for the requirement for submission based on the student's writing samples.)
6. A minimum of 4 students are required for a course to run as scheduled. Capstone reserves the right to cancel a course if enrollment is insufficient. In such case, students will be required to transfer to another scheduled course.
7. Capstone reserves the right to substitute instructors and to make changes to the content and class schedule if necessary without prior notice.
8. Capstone reserves the right to change the terms & conditions without prior notice. In case of any dispute arising from the program, the decision of Capstone shall be final.
9. Inclement Weather
 - a. All classes will be held as scheduled during Signal No. 1 or 3 or Amber Alerts or Yellow/Red Warning unless otherwise announced by Capstone.
 - b. Before classes commence, if the Observatory announces that the warning for "Black Rainstorm" is in force or Typhoon Signal No. 8 or higher will be hoisted within 2 hours, no classes will be held. If these weather signals are lowered during the day, all classes will resume three hours after the official announcement by the HK Observatory. We regret that we cannot arrange replacement classes nor refunds for these enforced closures.
 - c. When Typhoon Signal No. 8 or above is in force during classes, all classes will be dismissed immediately, no replacement classes nor refund will be arranged. When Black Rainstorm warning is in force during classes, all classes will be held as scheduled.
10. Any information we collect from you will be used for student records and other relevant or related purposes by Capstone and its staff for administration, programming and emergencies only. All information will be kept confidential.
11. Capstone may, from time to time, use student photos, videos, or works (including activities inside and outside of the classroom) for Capstone course and marketing promotions such as its brochure, website or publications.

Refund Policies and Procedures

A. Refund Policies:

1. In case of school closure prior to the commencement of a course, our school will refund (in full) the course fee collected stated on the tuition invoice.
2. If a course cannot be operated according to the arrangements specified in the fee receipts and students decline the revised arrangements offered by our school, our school will refund in full or on a pro-rata basis of the course fee collected. The request for refund must be through email to info@capstoneprep.com and will be processed within a month after the request date.
3. In case of cessation of a course after its commencement, our school will refund the course fee collected on a pro-rata basis as soon as possible and in any event no later than one month after the cessation of the course.

B. Refund Procedures:

1. Our School will confirm the refund arrangement either over the telephone or in writing.
2. Our School will refund in accordance with the above policies.
3. When processing the refund, Capstone will not take away the original fee receipts. Acknowledgement on the receipt of the refund must be confirmed by the signature of the parent or legal guardian.
4. Our School will pay the refund by cheque.

Grade 1-2

Primary Writing

Our Primary writing courses are designed to develop reading and writing skills in one of the three main writing genres: narrative, informational and persuasive. Throughout each course, students practice the important steps of the writing process - brainstorming, outlining logically, writing effectively, and revising thoughtfully.

A Cultural Christmas Carol

At Christmastime, families around the world gather to tell stories from generations past. This year, students will discover stories from a broad range of cultures and learn about their respective cultural significance. In the first half of this course, we will investigate the narrative structures of these stories, and compare the similarities and differences between them. The second half of the course will see the students practice what they have learnt, and write a magical sequel to a tale of their choosing.

In this course, students will...

- Extend their vocabulary through reading multiple stories
- Learn how to spot symbolism and discuss the importance of it in stories
- Plan, write and edit a narrative sequel

Duration: 1.5 hrs x 4 lessons | Class Size: 6 | Lesson Fee: \$3,720 (In-Person)

Grade 1-2

Primary Research & Present

Through the structure of a poster presentation, Research and Present is designed to develop the foundational reading, writing and speaking skills. Students are guided in their research about a topic and then will practice sharing and presenting their ideas within an encouraging environment.

The School of my Dreams

All we want for Christmas is a new school! Students will have the chance to explore how schools look around the world and get inspired to create the best possible version of them. During this course, students will not only research, but also use what they learn to write and present using a variety of new skills and techniques. To complete this course, students will create and deliver their own presentations on their dream school.

In this course, students will...

- Identify facts when reading
- Use facts they have researched to write descriptive paragraphs
- Present their ideas clearly and with confidence

Grade 3-4

Primary Critical Thinking

The Critical Thinking Intensive Course is designed to develop students' critical thinking, research, analyzing and problem-solving skills. Throughout the course, students are exposed to real-world issues and will learn and practice the skills to evaluate, process and articulate complex ideas.

What I DON'T Want for Christmas!

Christmas is a wonderful time of the year. It's full of gifts! But have we ever considered the amount of waste that piles up in our bins on Boxing Day? All that wrapping and decorating for just ONE day of the year. What are the environmental consequences of this? With the rest of the world embracing sustainability, how do we maintain our traditions without depleting our planet? This Christmas, students will uncover the story of waste management at three levels: global, state and local. Armed with research and critical thinking skills, students will develop and deliver a presentation on their findings, which will also feature their proposed solutions to this waste problem.

In this course, students will...

- Analyze the waste issue through critical thinking exercises
- Develop and express their opinion with supported arguments
- Use key public speaking skills during their presentations

Duration: 1.5 hrs x 4 lessons | Class Size: 8 | Lesson Fee: \$3,720 (In-Person)

Grade 3-4

Primary Public Speaking and Debate

Public speaking and debate are fast becoming necessary skills in a world where people compete to prove that their ideas are the best. Whether it's for the classroom or the courtroom, individuals are expected to present themselves in a confident and persuasive manner. Throughout this course, students will be taught methods and techniques to develop and present arguments that are strong, logical, and thorough to make for a compelling listen.

Santa Claus is Recruiting Debaters!

This course introduces debating and public speaking with the use of hypothetical scenarios faced by Santa Claus and his team of elves. Using real world events as a springboard, students will be assigned a role as a legal counsel and navigate difficult situations with the use of logical reasoning and speech delivery. As Santa Claus's legal team, students will explore, research, and advocate for their needs and help them navigate through the stresses of workers attached to the fictional workplace that is Santa's Workshop. ***Students interested in joining this intensive program must first complete an interview with our debating instructor.***

In this course, students will...

- Identify problems and solutions through the perspective of their respective clients
- Construct accurate and compelling reasoning
- Use persuasive speech delivery to forward their arguments

Grade 5-6

Primary Writing

Our Primary writing courses are designed to develop reading and writing skills in one of the three main writing genres: narrative, informational and persuasive. Throughout each course, students practice the important steps of the writing process - brainstorming, outlining logically, writing effectively, and revising thoughtfully.

Global Explorers: Investigating Countries, Cultures and Challenges

In this exciting course, students will embark on a virtual journey to fascinating countries around the world. They will have the opportunity to explore the rich histories, diverse geographies, vibrant cultures, and unique traditions of these exotic lands. Students will delve into important social, political, and environmental challenges faced by the people living there. Together, we will brainstorm and discuss potential solutions to these issues. Additionally, students will sharpen their research skills as they learn how to gather information from various sources and apply this knowledge to create informative written pieces. By the end of the course, students will showcase their understanding by designing a captivating brochure about a country of their choice. They will also gain valuable experience in compiling a bibliography.

In this course, students will...

- Enhance their reading comprehension
- Refine their essay writing skills by practicing essential techniques such as paraphrasing and summarizing
- Improve their research and writing skills in a supportive and enjoyable learning environment
